

# QUALITY POLICY

The Management of **FORNITURAS TÉCNICAS, S.L.** defines its Quality Policy as an integral part of the company's strategic lines and is committed to complying with, disseminating, and ensuring its fulfillment by all personnel.

The defined policies are translated into specific and measurable objectives, addressed in detail according to the descriptions in this policy.

As a way of expressing its commitment to quality, the **Quality Management System (QMS)** of **FORNITURAS TÉCNICAS, S.L.** is based on the **UNE EN ISO 9001:2015** standard for Quality Management Systems.

The Quality Policy of **FORNITURAS TÉCNICAS, S.L.** encompasses all activities integrated into its QMS and is defined as follows:

- We are committed to delivering this service in accordance with the requirements established by the relevant authorities and adapting to the needs of our stakeholders to provide a service that aligns with their expectations.
- We also commit to complying with all applicable legal and regulatory requirements, as well as continuously improving the effectiveness of our Quality Management System.
- We carry out activities that align with the needs of stakeholders while considering the company's perspectives.
- We ensure that all activities are perceived as reliable, effective, and efficient for all stakeholders.
- We allocate the necessary time and resources while recognizing the importance of informing and training stakeholders.
- To achieve this, we aim to provide our clients with a **comprehensive and agile service**, ensuring their satisfaction and strictly adhering to the applicable regulations.

This policy serves as a reference framework for establishing and reviewing **specific and measurable** objectives, which are communicated within the organization and addressed in detail.
